### **NEW BUSINESS**

**Program Update:** Keith will be discussing the New Year's budget with Jared. We served over 4,000 individuals in 6 months. There are new trifold brochures for the resource center. We received approval for 500 coins for the center, which will be ordered. Keith is working on finding a new soda machine for the center.

**Center Events:** The Reach to the Homeless event was held. Jam sessions will be switched to Fridays. Youth Group Fridays are still in development. The hope is to start with a video game contest and then survey the youth for future events. The new art teacher for the resource center has completed orientation and is ready to start. The I Love Recovery Dance is coming up. A Super Bowl party will also be held. We will be looking into having a small dance at the resource center later in the year.

### **UNFINISHED BUSINESS**

**Meetings/Classes Update:** Specialty Courts, Smart Recovery, and main campus presentations are continuing. Two of the Facing Addiction trainings have been held so far. Grief Recovery after Substance Passing & Parents of Addicted Loved Ones meetings are still in development. The nutrition class just finished its nine weeks. A gardening on a budget class is in development, as well as a volunteer lawyer program.

**Volunteer Schedule:** Volunteers are doing well, with two more just having completed orientation. Randy will no longer be overseeing the volunteer schedule.
