

Registration for Campers:

We are always looking to enroll youth ages 9-12 in Camp Mariposa. If you are interested in registering a child or learning more about the program, please send us an email:

info@lifelineconnections.org

Become a Mentor

Caring, compassionate adults are key to make Camp Mariposa successful. Adults interested in becoming mentors make a one-year commitment to the program. If you are interested, contact us today to learn more.

"Camp Mariposa was the best camp ever! We learned about addiction and also got to do fun things like a talent show, high ropes and archery." -Dominic, age 12

Lifeline Connections

Lifeline Connections' commitment is to serve the whole person, to meet them where they are on their journeys of recovery. We give our patients the tools to live successfully in their communities and together we create strategies that help them effectively manage their chronic disorders.

eluna

Eluna (formerly The Moyer Foundation) is a public 501(c)(3) non-profit organization with a mission to support children and families impacted by grief and addiction. Eluna has three signature programs: Camp Mariposa, Camp Erin® and the Eluna Resource Center.

A place where kids transform

Camp Mariposa® Southwest Washington is a year-round program for youth ages 9-12 who are impacted by a family member's substance use.

www.lifelineconnections.org/camp-mariposa

Camp Mariposa Southwest Washington is a free, weekend camp program for children ages 9-12 who are affected by the substance use disorder of a loved one.

Youth participate in fun, traditional camp activities such as swimming and rock climbing, combined with education and support sessions led by mental health professionals and trained adult mentors.

Camp is held four to six times per year from Friday evening to Sunday.

Campers and adult mentors make a one year commitment to the program.

Additional social activities are offered for children and their families throughout the year.

All program activities are offered free of charge to families.

"I came to Camp Mariposa to learn how to deal with my dad's drug addiction. I've never had a friend I could talk to but here everyone understands what I'm going through. I learned healthy ways to cope with addiction in my family and that I can make choices to be DIFFERENT. -Jessica, age 12

Camp Mariposa Helps Children...

- Reduce feelings of isolation and guilt
- Connect with friends facing similar situations
- Learn that substance use disorder is a disease and not their fault
- Build confidence
- Learn critical life skills to help manage feelings and practice self-care
- Have FUN!

"Camp really helps me relax. I learned lots of things to help me when I feel upset. I can't wait to come back in two months!!!" - Camper, Age 10
