

Crisis Triage & Stabilization

Hope, help and healing meet you at the door in this brief behavioral health residential program. We will walk with you on the path to identify your steps for recovery and wellness.

Here you will find:

- A safe place
- An alternative to the emergency department
- Peaceful outdoor space
- A smoke-free environment

5197 NW Lower River Rd., Vancouver, WA

(360) 205-1222

Open 24/7 - your first step towards support is just one phone call away

A stack of several light-colored, irregularly shaped rocks is balanced on top of each other, forming a small cairn. The stack is positioned on a rocky, uneven surface. In the background, a range of jagged, snow-capped mountains stretches across the horizon under a pale, overcast sky. The overall scene is a high-altitude mountain landscape.

"You are not broken, you are breaking through" Alex Myles
